Line 10 of the report “Investment in Joint Venture” is Mercer County Insurance Fund Commission’s share of equity in the NJCE. MCIFC’s equity in the NJCE as of December 31, 2020 is **\$1,699,545**. NJCE Property & Casualty Financial Fast Track – The December Financial Fast Track was not available.

Claims Tracking Reports (Pages 5-7) - Included in the agenda on pages 5-7 are copies of the Claim Activity Report and the Claims Management Report Expected Loss Ratio Analysis report as of December 31, 2020. The Executive Director will review the reports with the Commission.

POL/EPL Program Changes: There were a number of retention and limit changes evolving around NJCE Insurance Program Renewal. One of those changes is an increase in the POL/EPL deductibles for the County. The POL deductible increased from \$100,000 to \$250,000. The EPL deductible increased from \$175,000 to \$250,000. We are suggesting that the Insurance Commission consider self-funding the increase in retention. The premium to increase the POL deductible is \$17,689 and to increase the EPL deductible the premium is \$38,465. If you agree, the additional premium would be added to the assessment billing. There are no changes in deductible for the Improvement Authority.

Motion to approve the additional premium to self-fund the increase in the deductible

or

Motion to decline to self-fund the increase in the deductible

2021 Meeting Schedule – The Commission is not scheduled to meet in March. The next scheduled meeting is on April 26, 2021 at 10:30 AM.

From: Glenn Prince, Public Sector Assistant Director
To: New Jersey Counties Excess Joint Insurance Fund Commissioners
Date: February 1, 2021
Subject: Munich Re Safety Grant Program

Commissioners,

The New Jersey Counties Excess Joint Insurance Fund is pleased to announce the availability of safety program funding through the Munich Re Safety Grant Program. Member Counties may receive reimbursement for up to 50% of the cost of a “non-typical” safety item or service to assist in controlling the frequency and severity of their general liability, auto liability and law enforcement liability claims.

Program Overview:

- The Munich Re Safety Grant Program is a cost sharing program where counties can receive reimbursement for up to 50% of the cost of a safety item or service.
- The total amount of Grant funding available to members of the New Jersey Counties Excess Joint Insurance Fund for this policy period is \$50,000.00
- The safety item or service cannot be “typical”. For example; training on bloodborne pathogens, back injury prevention and other regulatory issues should already be part of a members overall safety program. Items such as patient lifting boards for EMS body worn cameras or police liability training are specialized and are examples of items that may qualify.
- Safety Grant funding requests for 2021 must be submitted to Glenn Prince gprince@jamontgomery.com no later than September 1, 2021.
- All submissions, will be forwarded to Munich Re, for review and approval. If approved, the funding will be paid only after the approved items or services have been purchased and proof of payment has been received.

Please feel free to contact me with any questions.

Executive Director reviewed the reports with the Commission and advised the Commission was performing very well.

EEO COVID LAWS: Mr. Adezio advised with respect to COVID and the pandemic he wanted to discuss if an employer could force or require an employee to take the vaccination. Mr. Adezio said they were checking with Counsel and the CDC put out some guidelines. Executive Director reported the MEL already issued a bulletin and a memorandum from their counsel regarding the issue. Executive Director advised he would share the documents with the Commissioners and Mr. Adezio. Executive Director said there was no mandate by anyone and the Governor had not acted on that provision. Executive Director advised if you were going to mandate vaccines for your employees, you should know what the legal risks are. Chair Nazzaro thanked Mr. Adezio for raising the question.

COVID VACCINATION SITE: Executive Director reported Mr. Adezio wanted to discuss the vaccination site at the arena which was owned by the Improvement Authority. Mr. Adezio said this was related to folks that wanted the vaccination and were signing up through the NJ Vaccination Scheduling System. Through the efforts of Mr. Hughes, County Executor, and the County Administrator they were partnering with Capital Health to have a vaccination site at the arena, owned by the Improvement Authority, and managed by a third party, Global Spectrum. Mr.

Adezio said he sent certain materials to the insurance professionals including Mr. Hrubash asking for their thoughts to ensure they were protected in these unchartered waters. Mr. Adezio said Mr. Borden provided some thoughts that he would share with Capital Health Attorney. Mr. Adezio advised they were already giving the vaccinations on site. Mr. Borden advised his only concern was the contract protecting the County for vicarious liability; Capital Health was assuming all the primary liability; however, the County could be dragged into a vicarious suit. Mr. Borden advised the insurer for Capital Health was a Bermuda based alternative risk retention group so it was not likely to receive an additional insured endorsement like on a regular policy. Mr. Borden said he and Mr. Cooney agreed that any protection for the County would have to come contractual not through insurance. Mr. Cooney said it would be nice to obtain the additional insured endorsement but might not happen due to the structure of their insurance program. In response to the Chair's inquiry regarding the onsite volunteers, Mr. Adezio said it was his understanding Capital Health was doing all of the vaccinations and are responsible for all of the medical personnel, and he did not know if there were any volunteers showing up to help. Mr. Cooney advised the only type of position he would need to know about ahead of time was a doctor, physician or that type of level professional, others would have automatic coverage under the program.

Executive Director advised that concluded his report unless there were any questions.
