- a.) Preservation of capital.
- b.) Adequate safekeeping of assets.
- c.) Maintenance of liquidity to meet operating needs, claims settlements and dividends.
- d.) Diversification of the Commission's portfolio to minimize risks associated with individual investments.
- e.) Maximization of total return, consistent with risk levels specified herein.
- f.) Investment of assets in accordance with State and Federal Laws and Regulations.
- g.) Accurate and timely reporting of interest earnings, gains and losses by line of coverage in each Commission year.
- h.) Where legally permissible, cooperation with other local municipal joint insurance funds/commissions, and the New Jersey Division of Investment in the planning and execution of investments in order to achieve economies of scale.
- i.) Stability in the value of the Commission's economic surplus.

2.) **Permissible Investments**

Investments shall be limited to the investments authorized under New Jersey Statutes 40A:5-15.1.

3.) **Authorized Depositories**

In addition to the above, the Commission is authorized to deposit funds in certificates of deposit and other time deposits in banks covered by the Governmental Unit Depository Protection Act, NJSA 17:9-14 et seq. (GUDPA). The designated Bank must have a branch in Mercer County.

The Commission is also authorized to invest its assets in the New Jersey Cash Management Fund.

4.) **Authority for Investment Management**

The Treasurer is authorized and directed to make investments, with a maturity of three months or longer, through asset managers that may be selected by the Executive Committee. Such asset managers shall be discretionary trustees of the COMMISSION.

Their actions and decisions shall be consistent with this plan and all appropriate regulatory constraints.

In executing investments, asset managers shall minimize transaction costs by querying prices from at least three (3) dealers and purchasing securities on a competitive basis. When possible, federal securities shall be purchased directly from the US Treasury. Transactions shall not be processed through brokerages, which are organizationally affiliated with the asset manager. Transactions may also be processed through the New Jersey Division of Investment by the Commission's asset managers.

5.) **Preservation of Capital**

Securities shall be purchased with the ability to hold until maturity.

6.) **Safekeeping**

Securities purchased on behalf of the Commission shall be delivered electronically or physically to the Commission's custodial bank, which shall maintain custodial and/or safekeeping accounts for such securities on behalf of the Commission.

7.) **Audit**

This plan, and all matters pertaining to the implementation of it, shall be subject to the Commission's annual audit.

8.) **Cash Flow Projections**

Asset maturity decisions shall be guided by cash flow factors payout factors supplied by the Commission Actuary and reviewed by the Executive Director and the Treasurer.

9.) **Cash Management**

All moneys turned over to the Treasurer shall be deposited within forty-eight (48) hours in accordance with NJSA 40A:5-15.

In the event a check is made payable to the Treasurer rather than the Commission, the following procedure is to be followed:

- a.)* The Treasurer endorses the check to the Commission and deposits it into the Commission account.
- b.)* The Treasurer notifies the payer and requests that in the future any check be made payable to the Commission.

The Treasurer shall minimize the possibility of idle cash accumulating in accounts by assuring that all amounts in excess of negotiated compensating balances are kept in interest bearing accounts or promptly swept into the investment portfolio.

The method of calculating banking fees and compensating balances shall be documented to the Executive Committee by the Treasurer at least annually.

Cash may be withdrawn from investment pools under the discretion of asset managers only to Commission operations, claims imprest accounts, or approved dividend payments.

The Treasurer shall escheat to the State of New Jersey checks, which remain outstanding for twelve or more months after the date of issuance. However, prior to implementing such procedures, the Treasurer, with the assistance of the claims agent, as needed, shall confirm that the outstanding check continues to represent a valid claim against the Commission.
